Club History

Shevington Sharks were formed in May 1979 by local gentlemen, John Jackson, Jim Williams and Brian Murphy. Their aims of the club, back then, was to continue to grow and improve season upon season.

The Sharks became the first amateur club to tour the USA when in April/May 1981 they visited Oregon {Eugene} and played 5 games against American teams.

We continue to play our games in the North West Counties Amateur Rugby League competition and the North West Men's League.

Our junior section was born, when one Saturday morning at the Shevington Recreational Ground, back in June 1999 the first Junior Sharks teams were formed.

Since that date the Junior set up within the Sharks has flourished, we now have teams at every age group from Under 7's through to Open Age. Numbers have continued to increase working alongside the RFL development team and local schools - at some age groups we now have two teams. Alongside this sits our newly formed girls teams and an O35's Tick and Pass group who play social rugby on a Wednesday evening.

With the new Clubhouse and pitches at Vicarage Lane in Shevington, we are able to offer our players, coaches, volunteers and spectators absolutely top class facilities. And we work tirelessly to continue the ethos of John, Jim and Brian, to grow better bigger and stronger each year.

The future is bright and we continue to seek improvement in our delivery across our club.

Roles and Responsibilities

Trustees

The Trustees have the ultimate responsibility for the governance of a Shevington Sharks ARLFC and directing how it is managed and run.

Executive Committee

Reports to the Trustees and is responsible for reviewing and implementing new strategies, policies and procedures across the Club

General Purpose Committee

The General Purpose Committee is responsible for running the club on a day to day basis following the guidance laid down by the Executive committee and Trustees.

Safeguarding

Shevington Sharks Rugby League Club acknowledges its responsibility to safeguard the welfare of every child, young person and vulnerable adult who has been entrusted to its care and is committed to working to provide a safe environment for all of its members.

A child or young person is anyone under the age of 18 involved in any club football activity. A vulnerable adult is anyone who may be unable to take care of himself or herself or be unable to protect himself or herself against significant harm or exploitation.

We subscribe to the RFL Safeguarding Policy and endorse and accept the Policy Statement contained in that document.

The key principles of the RFL Safeguarding Policy are that: – The child's welfare is, and must always be, the paramount consideration – All children, young people and vulnerable adults have a right to be

protected from abuse regardless of their age, ethnic origin, gender, special needs, disability, class or social background, religion, sexual orientation, marital status, colour or political persuasion. – All suspicions and allegations of abuse or poor practice will be taken seriously and responded to swiftly and appropriately

We acknowledge that every child or young person or vulnerable adult who plays or participates in rugby league should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse. This is the responsibility of every adult involved in our club.

Shevington Sharks Rugby League Club has a role to play in safeguarding the welfare of all children, young people and vulnerable adults by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that the RFL Safeguarding Policy and related regulations applies to everybody in rugby league whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper, coach, club official or medical staff.

We endorse and adopt the RFL's Safeguarding Policy on recruiting volunteers and staff and will follow the recruitment procedures as set out in that policy and summarised below: Develop a job description or role profile. As a minimum meet and chat with applicants and where possible conduct interviews before appointing Request and follow up two references before appointing. Apply for an RFL CRB Enhanced Disclosure where appropriate in line with RFL policy.

All current Shevington Sharks Rugby League Club members with direct access to children, young people and vulnerable adults will be required to complete a CRB Enhanced disclosure via the RFL CRB unit. It is accepted that the RFL aims to prevent people with a history relevant and significant offending from having contact with children, young people or vulnerable adults and prevent them having the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children or young people or vulnerable adults and to minimise the risk of grooming within rugby league.

Shevington Sharks Rugby League Club supports the RFL's Whistle Blowing Policy. Any adult or young person with concerns about a colleague can whistle blow by contacting the RFL Safeguarding team (see details below).

Shevington Sharks Rugby League Club has appointed a Club Welfare Officer (CWO) in line with the RFL's role profile. The CWO will take part in training as defined in the RFL's Safeguarding Education and Training Strategy. The CWO is the first point of contact for all club members and parents/carers regarding concerns for the welfare of any child or young person or vulnerable adult. The CWO will be familiar with the procedures for referring any concerns and will play a proactive role in increasing an awareness of poor practice and abuse amongst club members.

We acknowledge and endorse the RFL's Anti Bullying Policy. Bullying of any kind is not acceptable at our club. If bullying does occur, all players or parents/carers should be able to tell and to know that bullying will be dealt with promptly. Incidents need to be reported to the CWO and in the case of serious bullying or adult on child bullying to the RFL Safeguarding Team.

TEAMWORK – SPORTSMANSHIP – RESPECT –ENJOYMENT --DISCIPLINE

The RESPECT Code of Conduct for coaches, players, officials, parents/carers, officials and coaches has been implemented by Shevington Sharks Rugby League Club. All prospective members will be informed of these codes.

U12's is dictated by the allocated referee. A 40-minute game should not take over an hour. From your kick off time you should have played your game and be clear of the pitch within 50 minutes. General

1. NWC meetings must be attended by every club; failure to attend will result in the club being fined. Each team will attend their respective league meetings on a rota basis. Ideally a coach or team rep should attend however a parent is acceptable. The rota will be published by the secretary or another appointed person.
2. At point of registration parents are to complete the medical history which is within the link for registration. Team Managers/First Aiders should check with all parents that nothing has changed within the players medical history on a regular basis.
3. Any teams with any issues, problems, involved in incidents, questions and queries should approach any member of the Management Committee in the first instance. Under NO circumstances should anyone go outside of the club to any other agency/league/association.
4. Any issues/incidents with any team, coach, team rep, team manager, parent etc. brought to the attention of the Management Committee MUST be reported within 2 weeks.
5. Any incidents that occur on or off the pitch during games, especially those involving adults/parents/spectators, MUST be reported to the CWO or Junior Section Chairperson as soon as practical after the incident. Any reports to the league must be done by the Secretary and must not be done by an individual or a team.
6. Any new player coming to the club MUST register at his/her true age group.
7. Only players registered or pre-registered with a team can train with that team. Siblings not registered and not of the correct age are not to train with the team.
8. Subs must be paid for each player. There is a reduced rate for siblings (similar to registrations) currently subs are set at £18 per month for each child. Subs are now capped at £36 per month regardless of how many siblings there are playing from one family. Subs are to be paid all year including during the closed season.
9. The club operates a financial hardship scheme with the following confidential email address shevingtonsharks1979@gmail.com
10. ALL teams MUST enter into EVERY cup competition that is available for their team.
11. All games at every age group must be approved by NWC before requesting a pitch allocation.
12. ALL curtain raisers, attendance at festivals must be sanctioned by the appropriate NWC League.

13. NWC's rules state that no player can be played without a registration card provided by the RFL. Any coach found to play a player without a registration card in ANY GAMES (including festivals) will automatically find themselves invited to a disciplinary.
14. All transfers must come through the transfer secretary or the CWO in the transfer secretary's absence, whether they are in or out of the club. Players MUST NOT train with the team until the transfer has been processed and the club are in possession of the relevant playing card.
15. Permission to Play Letters for U13's upwards. If a team are short of players, and the age group below do NOT have a game, permission can be sought for a player to help the age group above out for that game. This is fully supported by the committee. Out of courtesy the coach of the team below, must be approached for this to be facilitated. Consent forms must be completed by the parent and sent to the secretary to sign. This will then be sent to the league welfare officer for approval. Players will not be allowed to play up at the detriment to their own team. This practice is especially encouraged at U16's to play up at 18's (provided the player has had their 16th birthday) This is to assist the 18's who notoriously are short on numbers, but to also integrate the boys as they will move up to 18's at the end of the 16's season.
16. Coaches must gain their coaching qualifications at the earliest opportunity. Ages 7-11 must have at least a level one qualification and 12+ must have level two. All coaches must complete the required accreditations as detailed earlier in this manual.
17. If parents/spectators bring dogs to training sessions or matches and allow their dogs to foul on the grounds without clearing up after them, these parents are to be reported to the relevant team coach for them to deal with it. If it becomes a persistent problem with the same person/family then it is to be brought to the attention of the management committee. All dogs must be always under control and on a lead.
18. Players should aim to train at least once a week in order to be eligible for selection to play at the weekend. Each case should be judged on its own merit, but player safety should always be paramount.
19. There is to be NO SMOKING / VAPING by parents and coaches whilst at training or games. Team Managers are to ensure their parents are reminded of this.
20. Anything that has not been covered in this document that teams wish to do, they must seek approval/advice from the committee.
